Title: 2 Peter: Standing Faithful Awaiting the Day

READ: 2 Peter 2:1-22

RECAP:

We should expect false teachers who will target new "believers" leaving them worse than they were before
God knows how to preserve the godly and to keep the unrighteous for judgment

TODAY: What God is doing to false teachers is fair and just

1. They spout off spiritually with dangerous bravado

READ: 2 Peter 2:10b-11

2. They are ignorant, flesh driven creatures who will be destroyed

READ: 2 Peter 2:12

3. They are accursed having an insatiable appetite for sin

READ: 2 Peter 2:13-14

4. They are kept in check as God uses foolish things to stop their madness

READ: 2 Peter 2:15-16
