Dr. Doug Benton - PASTOR

Mrs. Kathi Sanney- DIRECTOR OF CHILDREN'S HOME

From Our Director:

We are well into summer and having so much fun! The children are enjoying the opportunity to sleep in a little and relax.

For many years, Sand Mountain Bible Camp has opened its doors for our staff and children to come for five days of vacation. Some dear friends donate their time and resources to spoil our children. This year was no exception. While there, the children enjoy Fishing, canoeing, and swimming. On the last day they are treated to Lake Winnepesaukee, an amusement park. Bible time is a special part of each day. We always look forward to the time of fellowship with our special friends.

We just finished our VBS here at Tabernacle. Our children had a wonderful time. They were excited to have time with our new Pastor and his family along with many friends.

Please pray for our children this summer. They have an opportunity to attend different camps and draw closer to the Lord. I am praying for open hearts to hear what God has to say. I want it not to be just a time of fun but a time to make life-changing decisions for the Lord.

Thank you so much for all you do to make the ministry here at the children's home possible. We could not continue without the support of our faithful friends.

Kathi Sanney
