### **Reflection Questions**

- † Where am I looking for direction right now?
- † What change would I make if I trusted the path of Jesus?
- † What is one way I can act more like Jesus this week?

### **Challenge**

Identify one area of life where you've been following your own way instead of Jesus' way. This week, take a simple action that reflects trust in Jesus' way instead. It might be how you respond to stress, how you treat someone, or how you make a decision. Let it be your first step in walking the way that leads to life.

### **Daily Prayer**

Jesus, when I feel uncertain, remind me that You are the way. Help me follow not just what You said, but how You lived—with love, truth, and trust in God. Guide my steps today and shape my heart to walk more closely with You. Amen.
