

## **Wedding Honoraria**

It is, of course, customary to acknowledge those individuals within the Cathedral community who work beyond their normal hours to assist in making each marriage a splendid occasion. To simplify the distribution of honoraria, Christ Church Cathedral requests a single cheque in the amount of \$2,650 which we will distribute on the couple's behalf.

This amount includes honoraria for the Clergy, the Musician, the Sacristan, use of the Cathedral and administration costs.

## **Discretionary Costs**

Weddings involving recruitment of Choir, selection and rehearsal of anthems or "new" music, rehearsal and coordination with outside musicians, instrumentalists, will be subject to a \$75 extra fee.

### *Bells*

With sufficient notice, couples may also engage the Cathedral Guild of Bell Ringers. The cost for bells is \$250. The bells may be rung before or after the ceremony, at the couple's discretion.

### *Altar Flowers*

The Cathedral's Altar Guild can provide a floral arrangement for the high altar – depending on the flowers requested, for about \$200.

### *Soloists*

All music to be played or sung is subject to the approval of the Director of Music, and must be in keeping with a service of Christian worship. The Cathedral can provide a vocal soloist. The normal honorarium is \$200.

### *Choir*

Some choir can often be arranged. A full choir is \$400, a quartet is \$200. \*Subject to vocalist availability

### *Livestreaming*

With sufficient notice to book livestreaming technicians, couples may also choose to have the ceremony livestreamed. The cost is \$300.

### *Evening (after 5:30 p.m.) weddings*

If necessary (subject to staffing availability), weddings may be arranged after the cathedral's normal opening hours. The cost is \$500.
