

The Master Craftsman

Psalm 139:13-16; 23-24

A foundational aspect of life's reality is that God _____ you

*God made you well and just as He
desired you to be*

Do you have questions about your life? Ask the _____

God is the Master Craftsman; He never makes a mistake!

God made you and _____ you just the way He made you.

*By asking God to search and test you, you get to see the truth from His
perspective and submit to His findings.*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of
mind and action.

Can you answer the question, "Who has God made me to be?" For sure, that is a life-long discovery, but have you a clue as to what God's plan is for you, His remarkable and wondrous creation?

The beginning of or the continuation of your search must be in the Word of God. Think of the Bible as your Owner's Manual. Rather than focus on what others think you should be or do, ask your Master Craftsman to lead you in His Everlasting Way.
