

THE QUINNS

Church Planting Missionaries to the United Kingdom since 2021

JUNE 2025

FINAL FURLOUGH PREPARATIONS

Home Prep

Our house is beginning to look like a self-storage with boxes to the ceiling. Workers are coming in to fix a few of the things that have gone wrong, including unplanned crayon murals by Ruby. We're getting uncomfortable in our house but looking forward to the time in the States.

Church prep

As we leave Downham Baptist Church, we are beginning to transfer our responsibilities and ministries. Thankfully, I've been blessed to have a man who will teach Sunday School class. There's also a man who is preparing to lead singing again. The one interesting situation is figuring out the preaching. Pastor Chris Beane would like to preach to the church and through the medium of modern technology it should be possible. Hopefully, he will be able to Zoom

in on Sundays until they are finally able to be in the UK with the church. Please continue to pray that the Beanes would soon be at Downham full time!

PRAYERS FOR BETH'S MOTHER

Recently Beth's mother found out she has cancer. Thankfully it was caught early through a routine mammogram. The doctors are all very positive that it is curable, but she will still have to go through chemo, surgery, and radiation. The Lord knew we needed to be on furlough for many reasons. Thankfully we will be living very close and can help support her during this treatment period. Please pray for Beth's mom and her healing!

Thank you,
Sam, Beth, Ruby, and William Quinn

William is 6!
