C. Rooting Out Sin

- Why do you think the Israelites moved from praising God to complaining so quickly after the miracle at the Red Sea?
- What does it mean to diligently seek God in the context of experiencing bitterness?
- How does your perspective on discomfort or dissatisfaction mirror that of the Israelites in the story?
- What are some practical steps you can take to 'put away' bitterness as instructed in Ephesians 4:31-32?
- How does the concept of Jehovah Rophi challenge your understanding of what healing means in your spiritual life?
- Can you think of a time when you felt bitterness towards someone? How did that affect your actions or attitudes?
