

Psalm 37

Introduction: This world doesn't seem fair. Is God going to act?

1) The life of faith is often confusing and unfair

- The righteous are actively, violently, opposed by the wicked
- The wicked flourish

2) The future for the faithful is just and joyful

- The righteous are vindicated
- The wicked are cut off

3) Remember and persevere

- Opposed to God? Beware, repent, believe
- As God's people...

... do not fret or envy

... do patiently wait and trust in the Lord

... keep doing good
