

HOW IT WORKS

Participants gather for six 5-week classes either over Zoom or in person.

Each class is about 3 hours and involves a combination of instruction, discussion, and experiential learnings.

Homework assignments are based on the subject matter.

Begin with our **Foundation Year**. Then decide if you would like to stretch yourself through a **Practical Year**.

There is a one-time \$25.00 application fee.

Each course is \$70.00. Financial aid is available.

ABOUT US

Growing in Faith is a ministry program within the ELCA, and a Mission and Ministry Partner of the Grand Canyon Synod. We are committed to fostering learning environments for followers of Jesus to grow in faith.

We believe that lay members of our congregations are integral to healthy discipleship in our churches and communities.

So, we gather followers across congregations to grow in faith together.

Inside you will find an overview of our courses and how the program works.

GROWING IN FAITH
is a community of followers growing in Jesus through classes, retreats, and mutual care. A two- year curriculum allows folks to move at their own pace to progress through foundational and practical learning.
