

Parental Agreement

To be signed after reading the Student Handbook

We, the parents/guardians who are accepting the challenge of training our children to love the Lord with all of their heart, mind and soul, do state that the training described in God's Word is the same training being carried on in the home. We also place our trust in New Life Christian Academy to extend that training more completely.

We agree to abide by all the school policies of NLCA as set forth in the Student Handbook and any additional policies established by the administration. **A copy of the handbook can be downloaded by going to www.nlchristianacademy.com.**

We agree that the school has the authority to discipline our children as outlined in the discipline section of the School Handbook. We understand that discipline allows teachers to teach and students to learn. We agree that we will cooperate and discipline our child in the home as needed.

We agree that, if for any reason we or our child do not respond positively to the established philosophy, purposes, practices, and programs of the school, we will quietly withdraw our child.

We hereby authorize emergency medical care in the event of serious illness or accident as designated on the emergency card if parents cannot be reached.

We agree to support the school's right to request from parents (at parent's expense) to have a student tested by a physician if he/she is suspected of using drugs.

We recognize the school's right to dismiss any student who does not respect its spiritual standards or cooperate in the educational process. We understand that this also applies to the parents.

We agree to support the Administrator's responsibility for placing our child in the proper grade and classroom.

We understand that if our account is not paid in full by the end of each month, our child may not return until the past due balance is paid.

We agree to inform the school if our child has been tested for any type of exceptionality. (ADD, ADHD, etc.)

We agree to pay for any school property damage or loss by our children. This shall include, but is not limited to, damage or loss to grounds, buildings, fixtures, furniture, equipment, books, and supplies.

We grant the school permission to take our children on walks, field trips, and excursions away from school.

We acknowledge that our signature below constitutes an agreement between the school and us on the items stated above.
