Welcome to the TLC Preschool Family!

Your child is about to start a wonderful journey of discovery and learning here at TLC Preschool.

It's a special time filled with new friends, exciting activities, and lots of fun.

We know that starting something new, even something exciting, can sometimes feel a little bit tricky – and that goes for grown-ups and kids alike!

For many children, this might be their very first time being away from you during the day. It's completely normal for children, even those who are usually very bubbly, to feel a little bit nervous on their first few days.

Helping Your Child Feel Right at Home

We've put together a few tips to help make this transition smooth and happy for your little one. Remember, our teachers and staff are here to support both you and your child every step of the way, ensuring those first days are filled with smiles.

- Chat About School: Talk to your child about what to expect. You can say things like, "At school, you'll play with new toys, sing songs, and meet new friends!" Answer their questions simply and honestly.
- Share Your Excitement: Kids pick up on our feelings! When you're excited and positive about school, it helps them feel excited too. Let your enthusiasm show – it's contagious!
- Create a Routine: Routines are like comfort blankets for kids. Try to establish a simple routine the night before school and on school mornings. This predictability helps them feel secure in a new situation. For example, "After breakfast, we'll get ready for school and then go see your friends!"
- Saying Goodbye: Clearly tell your child where you'll be and when you'll be back. You can even talk about what you'll do together when you're reunited.
- Leave Treasured Items at Home: We know how special comfort items can be! To prevent any tears if something gets lost or broken, please leave favorite toys or blankets at home. We have so many fun things to play with here at school!
- Quick & Sweet Goodbyes: When it's time to say goodbye, make it clear and positive. A quick hug and "I love you, have a great day!" works best. Linger or sneaking out can actually make it harder for your child, making them less trusting and more anxious for the next day. We promise, our teachers will be right there to comfort and engage them as you leave!

A Note About Our Classes

We're proud to offer a high-quality preschool experience for children aged two, three, and four. We have four classrooms, and children may be in mixed-age groups, which offers wonderful opportunities for learning from each other. Please know that we carefully consider each child's needs when making final class placements.

Again, we are so excited to welcome your family to TLC Preschool! We're here to make this a happy and memorable transition, and we can't wait for a year filled with learning, laughter, and fun!

If you need to reach out to the office prior to school starting, please leave a message. We will be checking them and will call you back.

If there are any changes regarding your child's enrollment at TLC Preschool, please contact us at your earliest convenience.

We wish you and your family an enjoyable remainder of the summer. See you in August!
