# TODAY'S TOPIC: FAITH OVER FEAR

### **Jesus Calms the Storm**

Jesus was crossing the Sea of Galilee with his disciples. Big storms were common on this sea. While they were crossing, a big storm suddenly appeared. Even though the disciples were experienced fishermen, they were afraid and called to Jesus for help.

Jesus had been sleeping, but at their cries He awoke and calmed the storm instantly, saying, "Peace! Be still!" The waves died down and the wind stopped howling. Then Jesus turned to them and asked, "Where is your faith?"

The disciples had seen Jesus heal the sick and cast out demons. They were afraid of the storm and did not have faith that Jesus, could keep them safe in the storm. They were amazed to find He had power over nature, as well.

Jesus is Lord over all things. There is no place and no thing over which He is not Lord. We need to have faith in Jesus' power.

By calming the Sea of Galilee, Jesus demonstrated to His disciples that He was no ordinary man. Jesus was, indeed, God's Son and He is truly like no other!
