## Monthly Newsletter

MARCH 2025

### Update from Executive Director, Kevin Clauson

Greetings, Kingdom Warriors! It is the first of March and the Board here at CEI has made a new initiative to publish a monthly newsletter to encourage our members and keep them up to date on all of the great work that our alliance is doing.

This month's newsletter is brief as this is the beginning of what will, Lord willing become an effective tool for connection and communication within our current members and, potentially, with future members and other supporters of our vision and mission.

Please see the next page ->

### In this newsletter:

Update from Executive Director, PEERS Test News, Summit Reminder

### Add to your calendar:

## Update Continued...

Aside from the launch of our monthly newsletter. We have three other key updates!

The first is that we have a new board member who was nominated and then voted in at our last monthly board meeting. Please join me in welcoming Dr. Gary House! You may know him for his variety of notable efforts for Christendom, including his organization "Our Hearts Are Home."

The second is our new and improved CEI Website, found at [Christedu.org](http://Christedu.org). We are still building out our Resources page, but otherwise it is up and running for Registration, Giving, Articles, and more!

Lastly, featured here and also on our website is our brand new logo!

In Christ,  
Kevin Clauson

### PEERS Test News

CEI will soon have great news about the PEERS Test, which is currently under the auspices of the Nehemiah Institute (Dan Smithwick, President). PEERS is an eminent, time-tested worldview assessment, which CEI is proud to be associated with.

## Summit VI Reminder

IF YOU HAVE NOT YET,  
REGISTER FOR CEI'S ANNUAL  
SUMMIT!

CEI's Summit VI will take place on September 26-27 in Lynchburg, Virginia. At the Summit you will be able to network with other individuals and organizations of like mind and hear from various speakers who will present important information on various topics related to our theme, "Advancing Christ's Kingdom Through Biblical Worldview Education."

The well-known and renowned G.K. Chesterton once said, "When men choose not to believe in God, they do not thereafter believe in nothing; they then become capable of believing in anything."

This could easily be said by the Christian today. But we know that "Christ, not man, is King", and therefore we have the tools of Biblical thinking to create the building blocks of His Kingdom. CEI seeks to do this, and we invite you to join us in this noble endeavor.

Please note that the registration fee is \$75 per person OR \$125 per married couple (Children 6-17 are FREE).

See our Summit VI Schedule attached to this email.
