The mission of St. Mary's Lutheran Church is to be a fellowship of believers, called by God and empowered by the Holy Spirit, to bear witness to Jesus Christ in the community and in the world. We equip ourselves for our mission by: Prayer, Worship, Education. Enabling us to witness through: Evangelism, Service, Stewardship.

WORSHIP WITH US—ALL ARE WELCOME!

Please know that St. Mary's Lutheran Church celebrates Holy Communion for ALL! This is Christ's table and His invitation. You do not need to be a Lutheran, or a member of our church to participate. Also, if you wish to come up for only a blessing, please tell us when you approach, and we will bless you! If you are unable to come up for communion, tell the usher that you would like to receive communion at your seat, and someone will bring it to you. We are so happy you are here today!

What is GMS's RIC Ministry Team?

A gathering of people from **Reconciling in Christ** worshipping communities and others in **Greater Milwaukee Synod** seeking to welcome, include, celebrate, and advocate for our LGBTQIA+ siblings, both in our worshipping communities and in our neighborhoods. We are looking for people here on the RIC Ministry Team to step up and get involved in the synod's Authentic Diversity work.

Someone asked, "What's all involved?"

... here's an outline of what we're doing:

The Authentic Diversity plan is a 2-year cooperative program among all the diversity groups in Greater Milwaukee Synod. It has 3 major phases. You can be a part of just one phase or participate in all the phases.

Listening Phase: Starts on Saturday, August 16 with a full day training at Redeemer Lutheran, 19th and Wisconsin. Those trained will lead a four month (or so) listening campaign to assess where congregations are at and their viability for engaging in this work.

Planning Phase: Starts in Winter/Spring 2026 with a full day training. Those trained will develop a framework and strategy for action.

Action Phase: Starts in Summer/Fall 2026. The plan is put into action and leaders engage with congregations to undertake the real work of becoming more authentically diverse.

Please consider being a part of this work.

Those who engage in this portion of the work - the Listening Phase - will need to be at the training on August 16. After that, it's a multi-month commitment, but the work we do together will lead to improving the ministry of all our congregations. Big ask. Important ministry.

If you can do this, email me.

Peace and Blessings,

Rev. Tyler Rasmussen RIC@gmselca.org
