

Forest Park Church

Hope • Purpose • Belonging

FROM THE PASTOR'S DESK
DAVID WILLIS

This month marks the midpoint of our summer sermon series, Fillers, Filters, and Fakes: How to Create Christ-Centered Community in a Culture Filled with Counterfeits. Through our journey in 1 Corinthians, we've been exploring what it means to be a church marked not by appearance or performance, but by the transforming power of Christ.

So far, we've examined the dangers of division, the call to holiness, and the importance of servant-hearted leadership. We've asked hard questions: Are we more shaped by the culture around us than by the cross before us? Are we settling for shallow connection when God calls us into deep, Spirit-filled community?

The good news is this: God is not finished with us. He is pruning, refining, and renewing us into a church that reflects His character—unified, holy, humble, and full of grace and truth.

As we continue this series in August, we'll turn toward topics like spiritual gifts, godly relationships, and the hope of resurrection—how each contributes to a vibrant, Christ-centered community. I invite you to stay engaged, bring a friend, and keep praying for our church family to be the kind of community that reveals Jesus to the world.

Let's not settle for counterfeit community. Let's press on toward becoming the church God has called us to be!

AUGUST'S COMMUNION OFFERING

August Communion Offering will go toward Backpack Blessings/School Needs!

BACK PACK MINISTRY: Every Wednesday lunch bags for Northside students are packed by our FPKids. This gives our children an opportunity to reach out to their community and peers. They're actively sharing the love of Jesus by meeting a fundamental need. Our kids are providing food to those who may not have meals over the weekend. We're looking for volunteers to donate \$15 a month to support this mission.

Coffee, Chit-Chat, & Coloring!

Join us every Tuesday at 8:30am
for a lovely morning of fellowship.
