“And we desire that every one of you do shew the same diligence to the full assurance of hope unto the end.” Hebrews 6:11

Watching God bring life to bare ground and trees was a delight as I traveled many miles this spring. Island plants are different and green throughout the year, with the year-round tropical climate. The different colors of blossoms and the varying colors of greens I saw in the States were beautiful and a reminder of God’s creativity in creation.

God’s goodness was obvious in the changing of the seasons, but also in small moments with my family. Bailey, my six-year-old niece, wanted to ride with me on the lawn mower. Although I was guiding, she thought she was steering, even though my hands were still on the wheel and controlling the machine. When she excitedly reported to her parents that “She mowed the yard!”, it made me smile. How easy it is for me to think that I control the

ministry God has called me to! Very much like my young niece, I must remind myself that God is doing the work, and I’m just the instrument He happens to be using. Just like Bailey lost focus and started waving at her parents, I easily lose focus on God’s work when I look for the approval of others.

Bailey and Hudson

I cherished the time with my family and enjoyed “spoiling” them with small gifts from my travels. However, of even greater importance was the news that the two youngest, Bailey and Hudson, both gave their lives to Christ in the past few weeks. Hudson wanted to take his “getting saved” book (the Bridge tract) with him to school for show and tell. They are young, but I know God can do great things through them. Please pray for their spiritual growth and sensitivity to the Spirit’s leading as they grow older.

God's work continues, both with my physical and spiritual family. It was an honor to meet the older folks my parents visit every few weeks. My dad is a deacon at their church and these senior saints were so pleased to have visitors!

After a whirlwind trip to the States, I was able to return to Guam for the Bible College graduation. Please pray for these twelve graduates as they step into a new chapter in their lives. Pray that they will not get distracted by things of this world but follow and serve the Lord with their whole hearts.

HBBC 2025 Graduates

As we look ahead to summer ministry, there are several bus kids who are wanting to attend camp this summer (**June 30-July 12**). Many decisions are made during this time when they are away from the influences that distract them from the gospel. Satan will not want them to go and will try to disrupt the messages, so please be in prayer that God's Word will have freedom to take root and grow to fruitfulness. It will cost approximately \$175 for each child to go to camp. If they take the initiative to do the homework and learn the memory verses, I do everything I can to help them. If you would like to sponsor a child, you can send money to **Harvest Baptist Church, with "bus kids camp"** in the memo.

Thank you again for your prayers while I traveled 17,000 miles in the States. What a blessing to be able to see many of you face to face and share what God is doing in Guam and Micronesia! The Lord also allowed me visit some of the Bible College graduates, who are living Stateside, to encourage them in their walk with God. Visiting different churches and individuals definitely gave me a burden to pray more faithfully and intelligently for all of you. As God's work continues around the world, both in the States and in Guam, I'm thankful that we can partner through prayer.

Blessed to serve Christ together with you,

Rhonda
