CHURCH BRAINSTORM

As we begin to prepare for 2026 we would love some ideas and input from you.

Please give ideas of ways we can meet the wider community where they are at.

So, activities that can initially engage the community around us, build relationships with them and open doors to gospel conversations and ongoing relational discipleship.

They might be fun activities (like the trivia night we just had) or more practical activities (like a marriage course or a soup kitchen).

Obviously we will consider the ability for our church body to undertake activities but please consider whether it is something appropriate for the context of East Gippsland.

They can be activities that are for a range of different demographics (families, women, men, older people etc.)

They can also be one off events or long term activities. This is simply an initial brainstorm to collect your ideas.

Contribute your ideas using the link below
