What is the ALPHA program like?

ALPHA offers people the basics of the Christian Faith over the course of 11 sessions. Each session begins with a meal, then there is a talk in video form. Then, we take a few minutes to discuss the video in small groups. All sessions are free and each one lasts approximately 2 hours. A Six Saints' '**Breakfast Alpha**' is planned for Saturday mornings in the Fall, beginning on Sept. 6th from 8:30 a.m. to 10:30 a.m. Running concurrently with 'Breakfast Alpha' – in the same location – there will be Confirmation instruction and an 'After Alpha' discipleship study. Stay tuned!

The Rector's Corner

Last Sunday, St. Paul said that “we should walk in newness of life”. (Romans 6.4) Another translation says: “We shall walk in a new life”.

This is true because we have been baptized into Jesus Christ. Spiritually, we have been buried with Him, and we have been planted with Him into His death – Jesus’ death on the Cross when He took our sins upon Himself. St. Paul’s point is that we need to break the strength of our temptations and destroy the power of sin in us. We need to die to the old patterns and habits, and walk in a new life.

Walking in a new life is like dyeing a T-shirt. Actually, the that is the sense of the verb “to baptize”. The pure, white cotton is taken and dipped into the tub of dye. It is completely immersed so that when it is lifted up, it no longer looks the same. It has been changed. We might say that it has died to its old self. It is a new creation.

That is what happened for us when we were baptized. By the power of His mighty, Holy Spirit, God washed us and made us brand new creatures. He adopted us as His daughters and sons, and welcomed us into His family. Now we must walk in a new life. As the Prayer Book says, we must “intend to lead the new life, following the commandments of God, and walking in His holy ways”. (p. 76, BCP)

What exactly does that look like? Jesus gave a radical description in last week’s Gospel: “Love your enemies, do good to them which hate you, bless them which curse you, and pray for them which despitefully use you.” (St. Luke 6.27) Last week, someone helped me to understand what all of that involves. With regards to a hurt received from our enemies, she said, “Don’t nurse it or rehearse it. Instead, disperse it and let God reverse it.”

Don’t nurse it or rehearse it; instead disperse it, and let God reverse it. Walking in a new life will require us to do this. It is part of putting the old ways to death and breaking the power of sin. Afterall, Jesus said, “Be ye merciful, as your Father also is merciful.”
