

# Redeeming Love

*"God is leading my heart into a new life of freedom and unconditional love". - Molly*

**Praise** - We had a great time In Colorado with FBC Gypsum and appreciate Pastor Steve and his wife, Kim, so much. Harvest Trio led in the worship, and we were excited to meet them, and professor Toby, and his wife. We hope to be able to one day share at West Coast Bible College in Lancaster, CA., where they serve.

**Pray for open doors in California.**

**Pray as we travel to Virginia, Kentucky, Indiana, Tennessee and Ohio; August 20th to November 30th.**

**Praise** - God ministered to those who gathered together Sunday Night at FBC Gypsum to hear Molly's Testimony.

**Pray for Molly for more opportunities to share her story, and as she join us again in the fall in Kentucky.**

**Praise** - God has been providing for us as you all have been praying for us.

**Pray for us to have continued strength and health for the journey ahead.**

**Praise** - We thank God for the opportunity to join with Pastor Riley and HR ministries. CLM, along with Christ's Kin, and Molly, will be ministering in the prison and at Job Corp in West Kentucky. We also have several churches where Molly and Christ's Kin will share.

**Pray that God will do a mighty work in each place. May the Holy Spirit of God be poured out on every person; bringing redemption, reconciliation and restoration.**

Please follow us on our app for a full list of where we will be traveling, including the names of the churches and dates we will be speaking.

**To God Be The Glory! On July 5th, 2025 We Celebrated Our 21st Year of Traveling and Sharing the Message of LIFE!**

My name is Molly. Roughly a year ago in a Florida church service, the Lord lovingly arranged for me to hear Doug and Joli share an amazing message that would break a lifetime of chains. Doug shared the profound Biblical truth that **"You are not a mistake- God does not make mistakes"**. Hearing and believing these words changed my life forever. *The Holy Spirit is moving in my life, challenging me to share my story. I would love for you to hear how God has healed me.* I am partnering with Choose Life ministries to encourage others to embrace this truth and know that their lives matter.

**My desire is to bring encouragement to anyone who needs to understand this truth.**

As I have been on this new journey with the Lord, I am for once "Trying" to let him lead my heart into a new life of freedom and unconditional love. Through this process, I have come to realize that our words are so very important. Our words can build others up to have the confidence and encouragement for great accomplishments, or cut someone to their knees. We have a choice as parents, friends, coworkers, and family to choose our words wisely. My childhood was rough to say the least. The words I heard were, "you are a mistake, I wish you were never born." I went through my young adult life trying everything under the sun to numb that pain. I lived quite a colorful life. Through the Lord constantly pursuing me, He kept me safe and protected until I finally found truth and listened.

**My desire is to share my story with the hope that one lost sheep can hear that the Lord has a different kind of love and life for them.**
