## LOCAL MISSIONS SPOTLIGHT

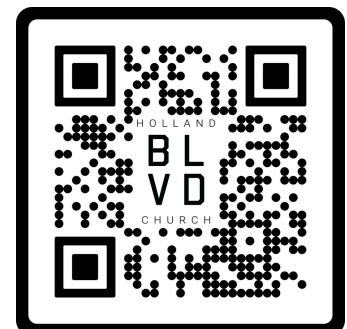

The BLVD Church supports several different local and global missions, and we'd like to shine a spotlight on one. Haven Missionary Homes is a Christian nonprofit ministry located in Zeeland that is dedicated to providing free housing and holistic care to West Michigan missionaries when they return to the States for fundraising, furlough, or medical care. The organization is fairly new, having just purchased their first missionary home last year, but they already have missionary families booked in the home through Summer of 2026. There is an incredibly high need for this kind of housing, and they are grateful to be able to serve overseas workers in this way.

If you are interested in learning more about the organization, please check [www.havenmissionaryhomes.com](http://www.havenmissionaryhomes.com).

## FAMILY SERVICE

August 31

Join us for a family-friendly service on August 31. We've given some of our kids ministry volunteers the day off for a well-deserved break! There will only be nursery and preschool available. Grab an activity bag or head to the family room for this all-family service.
