NEVER TOO EARLY TO PLAN FOR CHRISTIAN EDUCATION

Missouri allows private K-12 tuition to be paid from a 529 fund. This is a great opportunity for families (or friends of a family) to contribute specifically to a student's education through state-tax deductible contributions. Qualified withdrawals for tuition expenses can happen now or well into the future. Call John Christman 573-638-0228 or your financial advisor to learn more.

Missouri District

THE LUTHERAN CHURCH — MISSOURI SYNOD

The celebration Sunday for *Tomorrow's Teachers & Preachers*—August 24—is right around the corner! Many congregations and schools will be collecting offerings to help defray the educational expenses of the next generation of pastors, DCEs, deaconesses, teachers, and more as they complete their studies. Praise God for guiding these people towards service in His kingdom and for the way He works through all of you in supporting them!

TOMORROW'S Teachers & Preachers

"I knew I wanted to become a Lutheran teacher by my senior year of high school for a couple reasons," Aaron Hentges shares. "I felt God was calling me, both through my instructors and pastors and my heart. I would never have become a teacher if not for teachers and coaches who demonstrated a Christ-like love for me consistently for four years."

For Aaron, his career path has recently brought him back to where it all started—St. Paul Lutheran High School in Concordia. After several years of teaching History at The Lutheran High School of Kansas City, Aaron is now beginning his new role as Director of Admissions and teacher for his alma mater. It's now his opportunity to do for others what his teachers did for him.

As is our tradition each fall, the Missouri District is pleased to celebrate *Tomorrow's Teachers & Preachers*—the campaign to promote church work vocations and give a boost to our scholarship endowment. For more than 40 years, students from Missouri preparing for service in the church have benefitted from these scholarships to help defray the cost of tuition at schools within the Concordia University System or either LCMS seminary.

Aaron Hentges himself was a recipient of one of these scholarships while in college and is well aware of the impact it can make. Even beyond the collegiate experience, he also notes this assistance will have an impact for years to come. "A scholarship could help jump start families that have a greater level of financial freedom without college debt. A scholarship will allow for education, but an education allows for the building of strong families of faith."

It's for this reason—the impact on families present and future—that *Tomorrow's Teachers & Preachers* is in place. Today I invite you to continue your encouragement for these upcoming workers by joining the effort. **Would you please prayerfully consider making a gift to the scholarship endowment that will provide support to those furthering their education in preparation for these roles in God's kingdom?** Gifts can be made online at mo.lcms.org/donate, via mail (address below), or through your congregation's offering plate.

Contact Leah Sieveking at 314-590-6211 or leah.sieveking@mo.lcms.org with any questions. Correspondence may also be sent to: Missouri District—LCMS, 660 Mason Ridge Center Drive, Suite 100, Saint Louis, MO 63141

We boldly take these steps today so that—by God's grace and with His guidance—the ministries of the LCMS will be served by an abundance of workers for years to come. Thank you for caring for these servants and the generations they will serve.

PENTECOST IX

The Heavenly Father hopes for human offspring as numerous as the stars (Genesis 15:5) and countless as grains of sand (Hebrews 11:12). So Christians encourage our communities to share our joy in regarding children – no matter what size, skills, or circumstances – as more precious than any amount of income, possessions, or pets (Luke 12:22-24).

LIFE QUOTE

AUGUST 10

Our Lord Jesus Christ assures us that the Heavenly Father makes His love for our kind evident in sunshine and rainfall (Matthew 5:45) along with sparrows and lilies (Matthew 6:25-33). So, we may expect to learn about the sanctity of every human life not only from His Word but also from His world.
