PRAISE PRAYER SPEAKING

We Couldn't Stop the Flow of Tears

We were running errands that Friday and got a text message that came across our speaker in the car. It was from Doug's nephew, Matthew, who wanted to say thank you for what we do, because the Supreme Court had just released their decision, and the abortion law Roe V Wade was overturned. Joli and I were at Sam's Club in the parking lot, and for several minutes we just wept. Even as we write this, the tears still flow. What it will all mean, we are not sure, but already lives are being saved and we give God all the praise!

We have 13 churches that would like us to come and share in western, Kentucky. **Please pray for these churches** we were able to schedule and for us to be able to schedule the rest. Pray also for our churches in Tennessee and the campground ministry.

Praise – On July 5, 2022, we began our 18th year of ministry.

Pray for God to help us help churches start Pro-Life ministries -Pray for God to guide us and bless our efforts in these next months as we continue to seek to build a culture of LIFE in our nation. We have an incredible opportunity to minister to families in crisis and God has already been showing us ways we can help equip churches. Crossroads Baptist Church in Spartanburg invited us to be a part of a special service along with a lady representing the ministry "Embrace Grace", an outreach ministry for women choosing life (www.embracegrace.com). The church will provide us the Love Boxes from "Embrace Grace" so we can give those to every church we visit. Pray as God leads His church to begin outreach ministries to these moms, to their unborn children, and to the fathers too.

Please continue to pray for us as we travel and share and seek God's guidance in ministry for "Such a Time as This".

PRAISES - The Charlotte Lozier Institute estimates **more than 110,000 unborn babies are being saved from abortion** as a result of the pro-life laws currently in place.

The Guttmacher researchers found that **all of the abortion facilities** in Alabama, Arkansas, Mississippi, Missouri, Oklahoma, South Dakota and Texas have **closed or stopped doing abortions** as a result of their laws banning abortions.

In Charlotte, NC, we attended prayer walks with "Love Life", a ministry that seeks to unite and mobilize the Church to create a culture of LOVE and LIFE that will result in an end to abortion and the orphan crisis. They have a simple, turn-key model ready to help equip your church to be a House of Refuge in your city. Visit this link to learn more about becoming a **House of Refuge Church**.

"Now is the time to create a culture where men and women stop running to the abortion clinic for answers and instead run to your church (lovelife.org).
