

2024 Year In Review

*Empowering Christians to SERVE and join Christ's work in their community
for the purpose of building God's kingdom.*

In addition,

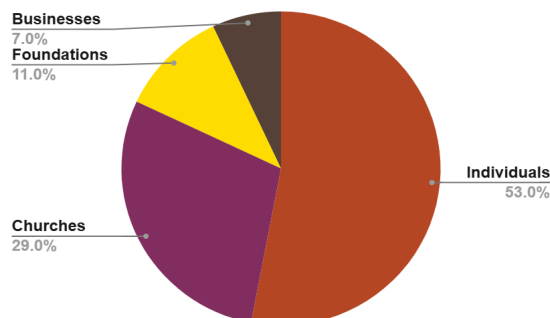

- **1,126** volunteers served VIS Friends (231 unduplicated + service project groups)
- **935** rides were provided to medical appointments and for food related needs through volunteer drivers (51% increase)
- **77** community agencies referred clients to VIS
- **76** Christian churches and schools from numerous denominations were equipped to join Christ's work in their local community through service and training
- **26** Service project groups from Christian churches and schools served (44% increase)
- **25** Church leaders were equipped through training

The people of God in Kent County have impacted Christ's kingdom in great ways as they've joined God where He is already at work in their local community, witnessed His love, and connected with opportunities to serve and be equipped through Volunteers In Service.

Financial Report

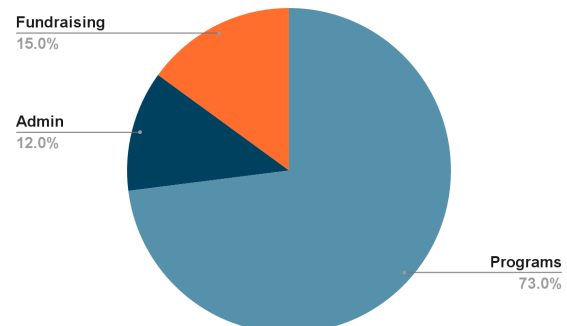

Through the generous support of the Christian community, over \$232,000 was raised in 2024, covering 100% of VIS' 2024 operating budget of \$231,119.
