

# Downloading the App

Go to your mobile app store and download the app “Church-app.Tithe.ly”

1. Once you have downloaded the app: Allow Church App to use your location only while using app and allow the app to send you notifications
2. On the Page that says “connect with your church” type in Grace Community Church, the first one to pop up should say **“Grace Community Church- 4001 Brooken Hill Dr.” Select this option.**
3. Select all Personalized notifications you would like to receive and click “Finish”
4. If it asks you if you want to change the app icon select “change”

## Navigating the App

### Upcoming Events

In this section you will be able to see all of Grace’s upcoming events and worship services. You are now able to sign-up for events within the app.

### Sermons

In this tab you will be able to see all of the recent sermons, podcasts and testimonies uploaded to our channel.

### Weekly 5 Day Devotional

Follow along the current sermon series by joining the weekly devotionals. Devotionals will be uploaded every Monday.

### Livestream

Be able to livestream services directly from the app every Sunday morning at 9:30 AM

### Notifications

This app is helpful for you to receive immediate notifications on weather changes, events, and reminders. In the future we will be able to keep them specialized to your specific areas of ministry. For now, we will only be sending church-wide announcements through the app.
