Join the Alpha Team!

Alpha has many opportunities to serve. At its heart, Alpha is about community and hospitality, making people feel loved and welcomed. It creates a space, over food and conversation, where people can feel seen and heard. It's a community effort, and we need the help of the Redeemer family to make it happen. It's an exciting place to be a part of what God is doing in hearts and lives.

Like the hosts, helpers are also warm, caring, friendly, and good listeners. They support the hosts, and are pro-active in seeking out quieter guests and happy to allow others to speak first. Small group helpers pray quietly for the conversation while it's happening around the table.
