A Way to Enrich Your Christian Life

Cursillo (pronounced *kur-see-oh*) is among the many renewal ministries within the Christian Community.

A Cursillo weekend is a personal, informative and sometimes lively event that invites you to:

- * enhance your Christian faith
- * experience the love of God in a caring and prayerful setting
- * examine what it means to be a Christian in today's world

All aspects of life are considered; our churches, our workplaces, our communities, ourselves and our families.

*Be transformed by the renewing of your
mind.... Romans 12:2*

*For everyone who asks receives; the one
who seeks find; and the one who knocks,
the door will be opened. Matthew 7:8*

From the Bishop

I would love to recommend that you consider going to the Cursillo weekend this year. Cursillo means a littler course in Christianity. But it is so much more; it is in fact a profound experience of deep Christian community. It is a weekend of learning, but also of fellowship, worship, laughter and friendship. Cursillo is a place to ask questions not only about God but your life. My Cursillo weekend was an important experience for me as a Christian. I experienced it as a complete gift, and I encourage you to experience it as well.

The Right Reverend Stephen London
11th Bishop of Diocese of Edmonton

The Weekend Experience

The weekend runs from early Friday afternoon to late Sunday afternoon.

It revolves around a series of talks given by a team of lay people and clergy. The talks are followed by small group discussions.

There are times for worship, fellowship, personal reflection, prayer, and song.

The weekend is a time for you, as a Christian, to be strengthened in your spiritual journey.

This weekend is open to all Christians 18 years and older.
