

"Adopt the attitude that was in Christ Jesus: Though he was in the form of God, he didn't consider being equal with God something to exploit. But he emptied himself... taking the form of a slave." – Philippians 2:5–7 (CEB)

**What can the Way of Service look like?**

### **Reflection Questions**

- † Where am I clinging to status or comfort instead of adopting Jesus' attitude of humility?
- † Who is God inviting me to serve without expecting anything in return?
- † How can I embody the love of Christ not just in what I say, but in what I do?

### **Challenge**

This week, take one deliberate step to adopt the attitude of Christ. Choose a simple but meaningful way to serve someone, especially if it stretches your pride or comfort. Let this be your quiet yes to Jesus' call to humble love.

### **Daily Prayer**

Jesus, You emptied Yourself and knelt to serve, even when You deserved the highest honor. Teach me to follow You not with words alone but with a heart ready to serve. Help me find joy not in being seen but in loving others the way You love me. Amen.
