## The Deeper Life

Scripture: Luke 9:20-25

- I. A New Center
- II. A New Identity
- III. A New Vision

## Food for Thought

1. What commitments, relationships, or desires might compete with Jesus' as your highest priority? What would it look like for Jesus to be Lord over even those areas of life?
2. What are some specific areas where you are tempted to base your identity on something other than Jesus? How does Keller's three-test framework (anger, sadness, fear) help you identify these false sources of identity?
3. How does this cross-shaped vision challenge or correct your own expectations of the Christian life? Can you think of a time when following Christ brought challenges, and how might Christ's example and the hope of resurrection reshape how you viewed and approached it?
