

Acolytes,

Thanks again so much for volunteering to be a Crucifer and or an Acolyte during worship service. This is a wonderful way to serve God! I am attaching a schedule of your assigned Sundays. Please try to be here by 10:30am the morning you are scheduled. If for any reason you cannot attend your assigned week, it is your responsibility to contact another acolyte and switch dates with them. If you are assigned on the first Sunday of the month, we may have you help serve communion as well. We appreciate your willingness to serve in our church.
