

## **Study Guide: How to Be a Christian: Share the Gospel**

### **Readings:**

- Romans 15:14-21 - Proverbs 27:17 - Philippians 4:13
- 1 Peter 2:5, 9 - Ezekiel 36:27 - 2 Corinthians 1:22

### **Warm Up:**

- Reflect on a time when you shared something important with someone. How did it feel, and what was the outcome?
- How do you currently understand the role of sharing the Gospel in your life?

### **Scripture Exploration:**

Read Romans 15:14-21. What qualities does Paul commend in the Roman church, and why are these important for a healthy church?

Examine Proverbs 27:17. How does this verse relate to accountability and growth within a church community?

In Philippians 4:13, Paul speaks about his strength in Christ. How does this verse influence your understanding of personal capability in ministry?

### **Personal Reflection:**

-Consider Romans 15:16, where Paul describes his ministry as priestly. What does it mean for you to live a priestly life as a Christian?

1 Peter 2:5, 9 describes believers as a royal priesthood. How does this identity impact your view of your role in the church?

Reflect on Ezekiel 36:27 and 2 Corinthians 1:22. How does the presence of the Holy Spirit empower you in your daily walk and ministry?

### **Personal Application:**

How can you incorporate the practice of sharing the Gospel more intentionally in your daily interactions?

Identify one area in your life where you can allow God to work through you more powerfully. What steps can you take to make this happen?

Think of a community or group that may not have heard the Gospel. How can you be a pioneer in bringing the message of Christ to them?

Plan one specific action you can take this week to strengthen your role as part of the "royal priesthood." How will you measure its impact?
