## **Is the Pleasant Grove Road Church of Christ just another denomination?**

When people first hear about the church of Christ, they may assume it is simply one more denomination among the hundreds that exist today. After all, we have a name, we meet for worship, and we seek to follow Christ. But is that really what the Bible teaches about the Lord's church?

The word denomination means "a division." Denominations exist because men have created various religious groups with differing doctrines, organizations, and practices. Yet when Jesus promised to build His church, He said, "I will build my church" (Matthew 16:18). Notice, it was singular, His church, not churches. In His prayer before the cross, Jesus pleaded for unity among His followers, "that they may all be one... so that the world may believe that you have sent me" (John 17:21). Division was never part of His plan.

The church of Christ is not a denomination, but an effort to be the very church we read about in the New Testament. We wear no human name, but simply the name of Christ (Romans 16:16). We follow no man made creed, but the word of God alone (2 Timothy 3:16-17). We have no earthly headquarters, for Christ is the head of His body, the church (Colossians 1:18).

Our plea is simple, let's go back to the Bible, speak where the Bible speaks, and be silent where the Bible is silent. Let's be Christians only, nothing more and nothing less. The church of Christ is not about starting another denomination, it is about leaving denominationalism behind and returning to the unity Christ prayed for.

"There is one body and one Spirit, just as you were called to the one hope that belongs to your call, one Lord, one faith, one baptism, one God and Father of all" (Ephesians 4:4-6).
