God gets the glory when you share your story

Full Story

*I went to the lake hoping to hear from God—but I never expected Him to answer like this. One quiet morning, I prayed, “God, show me what you want me to see today.” Moments later, a stranger in a boat floated up with a message I didn’t know I needed. I had no idea that just days later, everything in my world would be shaken—and that conversation would mean everything.- Adam Lloyd*
