Communication Column

I have been greatly honored to be your interim pastor this past year. Starr and I have been proud members of Tusculum BC for years because the church has been such a wonderful place to worship, has sweet fellowship, works hard to minister to Tusculum University students, and is engaged in serving our community. Now we are even more proud of our church. It is a privilege to be a part of a church that is actively fulfilling the great commission and making disciples. While some churches lose momentum during an interim period, that has not been the case with you.

Over the past year, we have strengthened our friendships in both services. Before we primarily knew members in the later service, but only few in the early service. We now have a much better appreciation for what all the church does and how many wonderful people we have. We are grateful for the church staff, deacons, search committee, and others who have worked so hard over this past year.

If someone is a new visitor or has been attending for a while, I would encourage you to join the church and become more fully involved. Starr and I have received far more than we have given over this past year, and I trust you will as well. Tusculum is a strong church, but it will be strengthened by others joining us and partnering with us to reach our community.

Starr and I are excited for Pastor Jon Reed's ministry and leadership. The Reed's will be a wonderful addition to our church. I look forward to seeing what all God is going to do through Pastor Jon and our church.
