St. John's Announcements

August 31, 2025

Building assess will be the same as the past few weeks with the south door (Door 1) and north door (Door 2) being open. Access to the north door is available from the path on the south side of the building. This is likely to change the week of September 7^{th} , so please watch the announcements.

This weekend is celebrated as Labor Day weekend in the United States and Canada. The holiday is meant to celebrate the achievements of the working classes. When I was at Yale, I always found it amusing that on Labor Day, I always had classes. We will honor the holiday at St. John's by closing the office on Monday. Labor Day also celebrates the labor movement. While far fewer people belong to organized labor, especially in the private sector, than years ago, recently there has been an uptick in participation. We will pray for good and honest labor and give thanks to Jesus who "shared our toil and hollowed our labor". I pray that we all may have some time off over the weekend to enjoy the fruits of our work.

Blessings, *Marc*
