TODAY'S TOPIC: THE GOOD SAMARITAN

Bible Story The Story of a Kind Man Luke 10:25-37

One day Jesus was teaching about loving God and loving others. A man in the crowd asked, "To whom should we show our love?" Jesus told a story to help them understand.

A man was traveling along a long winding road to a

town called Jericho. Suddenly, some men came behind him and beat him badly. They took all of his money and clothes and left him on the side of the road. The man laid on the road hurt and probably very afraid.

Then the man heard footsteps. "Someone was coming, maybe they would help him," the man thought. But instead of helping they crossed

A little later, the man heard more footsteps. "Maybe this person will help me," thought the man. But again the person crossed over to the the hurt man.

Then the man heard the clip, clop of a donkey. The sound got closer and closer and suddenly, the donkey stopped right beside the man. A

kind man got off the donkey and looked carefully at the man. The kind man could tell that the man had been hurt very badly. So he got some bandages from his bag and wrapped up the hurt man's sore places. The kind man knew the hurt man would need more care so he put him on his donkey and carried him to Jericho. He took the man to an inn which is like a hotel and cared for him that night. The next day when the man left he gave the over to the other side of the road and hurried on innkeeper some money to help take care of the man.

When Jesus finished his story, he asked the people a question. "Which man showed love to the hurt man?" The man in the crowd said, "The one who helped the hurt man." Jesus said, "Go and help others." Jesus other side of the road and did not bother to help wanted the people to know that we should show love to anyone who needs our help.

Find the words on the list that are hidden in the puzzle. The words can be right to left, up and down or diagonally.
