Creation

Genesis 1-2

Welcome!

Welcome to our GP Kids Newsletter for the month of September! Parents are a critical part of our model of children's education at Grace Point, so we wanted to provide this update to communicate what's happening in GP Kids this month.

GP Kids Workshops for September

Art Room: The students will create a visual for the seven days of creation. Chrissy Boone is leading the art lesson.

Explorers Room: The students will take a deeper dive into God's character through studying the way He Created the world. Heather Hill is teaching this month.

Game Room: The children will have a deeper knowledge of creation by practicing the order of the days of creation, Bible verses, and catechisms through games. Led by Dan DuPont in September.

Theater Room: The children will have a deeper understanding of creation by using statue drama to demonstrate God's great design. Led by Terri-Lynn Cochran this month.

September Devotionals

One of our objectives for our curriculum model is to equip our GP parents to be our kids' primary teachers about God. In order to do this, we have purchased devotionals that families can use to spur on conversations about God at home. The title of the devotional we will reference throughout the year is **Long Story Short** by Marty Machowski. You could use these devotionals as you talk about what we are learning with your family.

***If you need a devotional, they are located at the Children's Desk in the hallway.*
