

"Serve One Another" (Bystander Effect Series - Ep. I)

"Jesus replied with a story: "A Jewish man was traveling from Jerusalem down to Jericho, and he was attacked by bandits. They stripped him of his clothes, beat him up, and left him half dead beside the road. By chance a priest came along. But when he saw the man lying there, he crossed to the other side of the road and **passed him by**. A Temple assistant walked over and looked at him lying there, but he also **passed by** on the other side. Then a despised Samaritan came along, and when he saw the man, he felt _____ for him. **Going over to him**, the Samaritan soothed his wounds with olive oil and wine and bandaged them. Then he put the man on his own donkey and took him to an inn, where he took care of him. The next day he handed the innkeeper two silver coins, telling him, 'Take care of this man. If his bill runs higher than this, I'll pay you the next time I'm here.' Now which of these three would you say was a neighbor to the man who was attacked by bandits?" Jesus asked. The man replied, "The one who showed him mercy." Then Jesus said, "Yes, now **go and do the same.**" **Luke 10:30-37** (NLT)
