For every heartbeat there is hope.

ABOUT US

Vision

Pulse Campus Ministry is a non-denominational campus ministry located on the campus of University of North Texas-Denton. This ministry seeks to restore the heart of God on college campuses and reach out to everyone with a heartbeat. We believe that there is hope for everyone.

Mission

Our mission is to provide tools for living a Godly life; establish an identity firmly rooted in Christ; and develop a healthy community. We do this through weekly gatherings, bible studies, outreach events, team outings, prayer and worship nights, and much more!

LET'S WORK TOGETHER

Pulse is more than a campus ministry. The goal is to address and support all aspects of a person- spiritually, physically, mentally/emotionally, and even financially and professionally. Pulse is a ministry that believes in wholly caring for individuals and providing tools now that will assist in living out their purpose and walking in their calling.

The students and staff that come through the doors of Pulse are members of the community who will go out and impact the health and wellness of those communities. Your support helps us continue to shape whole and healed leaders with clear vision to make every place better for everyone.

Pulse is a full-service ministry. This means, we do not focus on church and neglect the life lived outside of it. Pulse will move forward to develop scholarships, apprenticeships in the community, volunteering opportunities with community partners, clean-up efforts in the community, housing resources, and counseling resources as well. Pulse has done a transformative work in the lives of students at UNT-Denton. Don't take our word for it, look at some of the testimonials below.

Shania Pruitt

Hallie Fletcher
