

## September

Hello!

Happy September! We have successfully completed the first month of school, and now the real fun begins! As mentioned in the August newsletter, August was a ton of back-to-school basics like classroom rules and routines, as well as the introduction to chapel. This month we will focus on our letters of the week, as well incorporating some fun fall activities such as apple tasting, leaf painting, and so much more! We will also take our first steps into exploration & science with activities such as dissecting and learning to identify the parts of an Apple!

September 2<sup>nd</sup>-September 5<sup>th</sup>: Letter Y

September 8<sup>th</sup>-September 12<sup>th</sup>: Letter A (Week 1)

September 15<sup>th</sup>- September 19<sup>th</sup>: Letter A (Week 2)
