## **SMALL GROUP DISCIPLESHIP RESOURCE**

***Grounded in Scripture - Habit Forming - Relational***

This is a resource for small groups aimed at growing and establishing Christians as lifelong disciple of Jesus.

For the remainder of 2025, Small Groups will have access to a discipleship resource with 5 video-based studies designed to run over 10 sessions.

This will also be run on **Tuesday nights 7-9pm** at the church.

**We will begin this Tuesday 9<sup>th</sup> September.**

Please let John know if you are coming.

Small Groups have been emailed the link for this resource.

If you didn't receive it please let John know.

Please do not distribute it further than our church as we are only licensed to use it within our church groups

# CHURCH BRAINSTORM

As we begin to prepare for 2026 we would love some ideas and input from you.

**Please give ideas of ways we can meet the wider community where they are at.**

**So, activities that can initially engage the community around us, build relationships with them and open doors to gospel conversations and ongoing relational discipleship.**

They might be fun activities (like the trivia night we just had) or more practical activities (like a marriage course or a soup kitchen).

Obviously we will consider the ability for our church body to undertake activities but please consider whether it is something appropriate for the context of East Gippsland.

They can be activities that are for a range of different demographics (families, women, men, older people etc.)

They can also be one off events or long term activities. This is simply an initial brainstorm to collect your ideas.

**Contribute your ideas using the link below**
