

# THE WITNESSES

HEBREWS 12:1-3

The Weekly

January 31, 2021

Growing in a greater love for God and a greater love for each other.

Music presented prior to the beginning of service is an opportunity for us to prepare our hearts and minds to worship. It also allows the worship team to introduce new songs that will be used in upcoming services. Our desire is that the lyrics of the songs will challenge and encourage us to appreciate more fully who God is and what He's done for us.

All life belongs to God. "It is He who made us, and we are His" (Psalm 100:3). He cares about each life so much that He has the hair on each head numbered (Luke 12:7). Every pregnant teen, every unborn child, every broken woman with an abortion in her past, every frightened kid who finds out he's a father is loved by the Creator. Each one has inestimable value and needs to know the love and mercy of Jesus Christ.

Our desire is to be His hands and feet to all those who are hurting, regardless of race or social status. We reach out in practical ways including material help for those in need, peer counseling, accurate information, community referrals, pregnancy testing, educational ultrasounds, fatherhood classes and much more.

As a nonprofit organization, our services are made possible by donations from churches and individuals in our community. Please prayerfully consider what God would have you do to help us in the coming year.
