### **Mini- GRANT APPLICATION for FLOOD RELIEF**

#### **APPLICANT INFORMATION**

HOPE IN THE MOUNTAINS, Inc., is providing “mini-Grants” to those eligible persons and entities who have sustained significant damage or loss during the floods of the early 2025, in the Southern West Virginia Coal Fields.

HOPE IN THE MOUNTAINS, Inc., is a non-profit 501(c)(3) organization dedicated to showing Christ’s love in this world by helping others improve their lives and long-term prospects in this life.

The mini-grants are up to \$500 each. The process for applying for and receiving the mini-grants is as follows.

1. The applicant must fill out an application (on-line or hard copy).
2. The application reviewed by a team from Hope in the Mountains.
3. Each location will be the subject of an on-site visit by members of the team to investigate damage/need and interview the applicant.
4. Priority will be given to “capital” type projects, making a home habitable, heating and cooling systems, replacing furniture and appliances, assist those impacted with finding other funding sources, etc.
5. First priorities are those who have no other sources of funding and who are in the greatest need: Residents in their homes have first priorities with renters and others being considered secondary.
6. The applicant must agree to a follow-up visit(s) from the team to confirm how the funds were used and offer any assistance that may be required in the future.
7. The mini-grants are not awarded to or discriminated against any person based on race, sex, religious affiliation, color, national origin, disability, or age.
8. Any questions or comments should be addressed to the Executive Director, Hope in the Mountains Attn: 2025 Mini-Grant Program at [hitm-exec-dir@earthlink.net](mailto:hitm-exec-dir@earthlink.net) or PO Box 1675, Sophia, WV 25921.
