Our Hope

~ Ephesians 6:10-20

Pastor Justin
September 14, 2025

Why do we waste energy fighting the wrong battles?

- Fighting a target we can see is _____ than trying to battle what we can't
- When we blame others rather than looking in the mirror, it keeps our _____ from being threatened
- If the problem is _____, then we feel like we can distance the problems or defeat them.

When we try to fight sin on our own, it's discouraging.

What helps us to stand firm?

We don't fight to win. The battle is over. Jesus already won the victory over sin and death!

1. We need to shift our _____
2. Stop _____ at other people
3. Be _____ in the little things
4. _____ together
5. Find _____ to rest

Standing firm is not passive. It means actively resisting sin and choosing godliness, but fueled by God's strength.

You don't need to fight for victory.

You need to receive the One who already won it for you.

Thank-you for your continued support.
