

Past, Present, Future

1 Samuel 12

Things to think about:

- Why is it important for believers to remember and retell the stories of God's faithfulness?
- How can remembering and retelling God's faithfulness help shape our response to current challenges?
- In verses 12-15, Samuel warns the people about choosing a king instead of fully relying on God. What are some modern "kings" or replacements for God that we may be tempted to trust today? How can we intentionally guard our hearts against these tendencies?
- In verse 23, Samuel says, "Far be it from me that I should sin against the Lord by ceasing to pray for you." What does this reveal about the responsibility of intercession? Who are the people God might be calling you to pray for persistently, even when it's difficult?
- What is the difference between godly fear and unhealthy fear? How does healthy fear of the Lord motivate obedience?

Building a Community in Christlikeness

Welcome to The Tab! A place where we want you to feel like family! We are a congregation made up of people from many backgrounds, seeking to gather for worship, discipleship, equipping, and fellowship! In all things, it is our desire to bring God the glory as we seek to be more like Christ. We'd love for you to join us in that journey.

You are welcome to join us for coffee and fellowship in the foyer before and after the service!
