BAPTISM:

We believe that every Christian should desire baptism. Because it is an expression of both our obedience and our commitment to Jesus Christ. We practice believer baptism. This means that we will baptize only those who have publicly declared their repentance from sin and their faith in Jesus Christ as saving Lord. The church baptizes all new believers by threefold immersion (a thrice- forward dunking: Father, Son, & Holy Spirit.

COMMUNION:

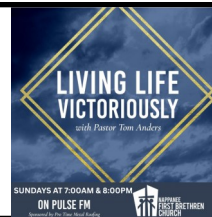

The Three-Fold Communion Service is open to all who confess and believe in the Lord Jesus Christ. There are 3 main parts to our service. 1. Washing of Feet. 2. The love meal. 3. The bread and cup.
