Neues Leben Dortmund

Our church planting team was recently commissioned by PräsentKirche! Neues Leben Dortmund (New Life) will live out a vision to share new life in Jesus with people in the south of Dortmund.

Pray for God's power and provision as we follow Jesus in this mission. If you would like to support this project, please give here through the Pickaxe Project account. We are in need of funds for a new space we are renting.

Support Neues Leben Dortmund!

Pickaxe Project

The Pickaxe Collective recently performed in Magdeburg in partnership with Kirche.MittenDrin. We played on the rooftop of a building over looking the city! It was a fantastic time and many people came, who do not attend a church.

Pray for the Pickaxe Project as we discern next steps for this project. This event confirmed where we sense God is leading: to partner with churches in other cities, to creatively engage culture, inspiring Gospel renewal.

Family Life

Much transition is happening in our family this fall. Jackson returned from Bible School and will start a job as a carpenter in Warendorf. Olivia will attend the same Bible School this next year.

Pray for our family in this time of transition. We are very excited for the new adventures of Jackson and Olivia. We are thankful we still have Jordan and Sophia at home with us! If you would like to support our family on mission, please give below.
