Dear Church Family,

I cannot believe that it is August. The back-to-school supplies are in the stores. I was recently in Dollar General and they even had Halloween decorations offered for sale. Society is transitioning from summer to fall a little too quickly for my taste. Nevertheless, in little time, the schools will be back in full swing.

Education is important. As I write this, I am taking a break from completing my last assignment before I go to licensing school. I look forward to attending and completing that stage of my education, so that I can not only serve you better but attribute more time to serving you. I am particularly looking forward to restarting Christian educational efforts this Fall.

The Bible tells us at 2 Timothy 3:16 “All scripture is inspired by God and is useful for teaching, for reproof, for correction, and for training in righteousness, so that everyone who belongs to God may be proficient, equipped for every good work.” The use of the word “everyone” tells me that all of us, young and old alike, need to pursue an education in what God seeks to teach us in the scriptures.

My experience has been that when we get together for any reason, we have a pretty great time. When we gather for Christian education, we have the chance to not only have an enjoyable time but also a time of growth for ourselves together with the opportunity to participate in the growth of others. So, as various opportunities present themselves, I hope each of you will take advantage of a Christian educational opportunity. If we do not have anything that entices you, perhaps God is urging you to start something new.

May God bless you and keep you.

In His Service,

Chuck

UMC Mission Statement

Make disciples of Jesus Christ for the transformation of the world.

Membership Matters

We believe Christians are called to a lifelong journey of growth. Participation in the ministries of the church, like worship, Bible study, missions and connecting with our neighbors are ways God works in our lives and hearts. We believe membership matters because we are better together. Contact Chuck Feeney for information on how to become a member of El Paso UMC!

“Let the children come to Me; do not hinder them, for to such belongs the kingdom of God.” Mark 10:14, ESV

The mission of Operation Christmas Child is to demonstrate God’s love in a tangible way to children in need around the world. Through this project, Samaritan’s Purse partners with the local church worldwide to share the Good News of Jesus Christ and make disciples of the nations.

Pastors around the world host outreach events in places where people may not know Christ and invite them to follow Him. Other churches use the boxes as resources for outreach in orphanages and other at-risk areas. In many places, they also offer *The Greatest Gift*, a Gospel story booklet Samaritan’s Purse developed for shoebox recipients, and invite children to participate in *The Greatest Journey* discipleship program. *The Greatest Journey* is a 12-lesson discipleship course designed for Operation Christmas Child shoebox recipients. Children who participate in the program learn how to follow Christ and share Him with others. As they do, entire families and communities are transformed by the power of the Gospel, and churches are started.

For many years El Paso United Methodist members have generously donated items to pack in shoe boxes for Samaritan’s Purse, Operation Christmas Child. ***Donita Fever is passing out hearts with donation suggestions.*** This is a great time to look for school supplies while they are on sale. You can also purchase “Wow” gifts for the children like deflated soccer balls and pumps, dolls, stuffed animal, etc. You can also give money to be used for gifts for the kids or for shipping the boxes. Talk to Donita if you have questions. Last year our shoeboxes went to the Republic of Congo in Africa.

As part of our Five Star Missions Challenge the El Paso United Methodist Church has donated to the United Methodist Committee on Relief U.S. Disaster Response (UMCOR USDR) which seeks to alleviate suffering caused by disasters that strike within the United States and its territories.

With a “communities own their recoveries” philosophy, UMCOR supports local efforts to accomplish immediate relief and long-term recovery while providing for volunteers to offer compassionate ministry in the aftermath of disasters. In partnership with disaster response ministries and coordinators in U.S. annual conferences, UMCOR journeys with affected communities throughout a disaster’s cycle, including disaster preparedness, relief, response, recovery and mitigation.

UMCOR’s Early Response Team (ERT) training program supports conference preparedness and immediate response efforts. Key activities for conference ERT and other response teams are supplying survivors with food, water, shelter and help with mucking out and cleaning up. UMCOR offers emergency financial assistance in the aftermath of a disaster to support local relief work.

A Sample of UMCOR USDR’s 2025 Disaster Responses

Catastrophic flooding in Central Texas

On July 4, 2025, historic rain levels led to catastrophic flash flooding along the Guadalupe River in Central Texas. As of July 9, at least 110 people have died, including 27 campers and counselors from Camp Mystic, an all-girls summer camp in Hunt, Texas. *In response*, UMCOR has awarded a solidarity grant to the Rio Texas Annual Conference to support their relief efforts. This grant will provide immediate relief to those impacted through Early Response Team deployment, debris removal, distribution of relief supplies and more. Continue to pray for those who have lost loved ones and for all who have been impacted by this devastating disaster. The Rio Texas Annual Conference has created prayer and worship resources for United Methodist congregations to use to respond to this disaster.

Wildfires in California

In June 2025, UMCOR awarded a \$624k recovery grant to the California-Pacific Annual Conference, which will fund disaster case managers for survivors of the 2025 Palisades and Eaton fires. On January 7, strong Santa Ana winds in Los Angeles caused wildfires to spread rapidly in multiple communities. Thousands of homes and businesses have been destroyed, as well as multiple local United Methodist Churches. UMCOR has awarded two solidarity grants to the California-Pacific Annual Conference to undergird their immediate relief efforts. This includes evacuee support like food and essential supplies as well as support for volunteer efforts and other relief activities.

These are just a couple of the more recent UMCOR USDR’s responses. If you are interested in becoming a trained ERT, consider attending training at East Bay Camp!
