

## Come Let Us Worship and Bow Down

Come let us worship and bow down  
Let us kneel before the Lord,  
Our God, our Maker,  
Come let us worship and bow down  
Let us kneel before the Lord,  
Our God, our Maker,  
For He is our God  
And we are the people of His pasture,  
And the sheep of His hand  
Just the sheep of His hand.
