Let the Worshippers Arise: Bridging the Gap Between Platform and Pew
Engaging the whole congregation in meaningful worship can be challenging. Whether the gap stems from spiritual dryness, musical disconnect, leadership styles, or differing worship philosophies, it can feel as if the leaders and congregants are pulling in different directions. This session will identify common reasons for this divide and offer practical, grace-filled strategies for worship leaders to foster genuine connection. Learn how to meet people where they are, build trust, and lead your church into a more united and vibrant response to the holiness of God—regardless of your church's size or style.

All Greene County Baptists are invited to the conference (3:45), missions fair/dinner (6:00), and worship (7:00) at Macedonia
