

Bethel Blast for the Week of September 15, 2025

Congregational Meeting

The Church Council is holding a Congregational meeting on Sunday, October 19, as part of a brunch after the 10:30 service. The meeting is for the purpose of sharing information about challenges Bethel faces heading into 2026, and to get feedback from members on a possible direction for the future. This is not an official meeting, in the sense that no minutes will be taken and nothing is going to be voted on. This is about communicating where we are and helping Church Council determine a direction for the future.

Bethel Believe

To help prepare for the Congregational meeting, Pastor John is launching a month-long focus called, "Bethel Believe." It is about reminding us of the power of faith and about the God we serve. We believe in a God who has the power to turn problems into possibilities, to turn despair into hope, and to turn death into life.

Pastor John is hosting a Bethel Believe prayer meeting on Thursday nights from September 18-October 9. Prayer will be in the café at 6:30pm. It is a time to pray together for the future of our church and for the spirit of revival and renewal to be in each one of us.

Sunday Worship

Last Sunday, Pastor John set aside his Galatians series to begin a series of sermons centered on the theme of Bethel Believe. Last week he talked about the raising of Lazarus from the dead, and the faith Martha needed to roll the stone away from the tomb and believe Jesus could bring Lazarus back to life. This Sunday, Pastor John will be talking about a promise God gave to Abraham in Genesis 22: 15-18, and how that promise relates to us, as believers in Jesus Christ, today. So come and join us at either the 8:30 or the 10:30 service. Seekers will continue to meet in the library at 9:00am.

Book Club

The Women's Book Club will meet on Monday, September 22, at 10:00am, in the café, to discuss the book, "American Dirt." The next book will be "Tom Lake" by: Ann Platchett discussion will be Monday, October 27. You can pick up the "Tom Lake" books after the discussion on Monday.
